Bush To Headline Mark Green Fundraiser – Send a Welcome Letter!

Next week, President Bush is coming to Wisconsin to help raise Mark Green as much as \$1 million dollars.

The cost to get in to the Bush/Green fundraiser – \$10,000 a table! It may be the biggest special interest fund raiser in the history of the state.

But it should come as no surprise. Mark Green has been one of President Bush's staunchest supporters in Congress.

Let's make sure President Bush has a personal greeting in your newspaper when he arrives in Wisconsin.

Let President Bush know you don't agree with him and Mark Green. Write a letter to the editor of your local paper!

When President Bush said let's spend the largest federal budget surplus in our nation's history into the largest federal budget deficit, Mark Green voted with him every step of the way.

When President Bush wanted to give tax breaks and giveaways to big drug and big oil, Mark Green made sure it happened.

When President Bush wanted Congress to cut student aid, Mark Green got the job done.

And they both want to slam the door shut on potentially lifesaving stem cell research. Research that holds the promise of cures for diseases like Parkinson's, Alzheimer's, and juvenile diabetes.

You can do something about it by spreading the word about the Bush/Green record by sending a letter to the editor of your local newspaper today.

George Bush hasn't been a very good President for Wisconsin's middle class and working families. Mark Green hasn't been a very good Congressman for them either.

And no amount of special interest cash—even \$1 million dollars worth—can change that.

Let people know about the Bush/Green record. Send a letter to the editor of your local paper today

Please join or renew your membership!
