A Message from Matt Gula Obama Campaign for Change 6th CD Field Director

Dear Friends,

First, I want to thank you for all the help and support you have given us and our campaign over the past few months. We could never have come this far without you, and your support has never wavered and was always greatly appreciated.

We have leaned on all of you at one point or another to bring in volunteers and supplies, find locations for events, be surrogates, borrow cars, get us information, make connections, and over-all provide the support, guidance, and direction that we needed. You have been amazing. On behalf of me and my team, I want to thank each of you for everything you have done.

We could not have made it this far without your guidance and help. We are now in a position to turn out voters in Wisconsin at an unprecedented scale. So I'm asking for your help one more time.

Election Day just a few days away, and we are in the final push.

The coordinated campaign is planning the largest GET-OUT-THE-VOTE effort in Wisconsin history and we will continue to contact undecided voters until the last possible moment.

Over this last weekend, we will need more volunteers than ever before.

More than anything, we need volunteers to do voter contact. We need volunteers to knock on doors and make phone calls. Anything you can do to support the campaigns will be appreciated, but most of all we need volunteers to KNOCK DOORS! This election will be won or lost based on how many doors we knock and how many phone calls we make. Physically getting people out to vote at the polls is how we will win this election.

If you want to help, or know someone who wants to help, contact us or send them our way, or get their information so we can contact them:

Members also direct the county and state democratic Parties. Officers are elected from their members, resolutions and the party platform are formed exclusively by membership.

Stay involved and help direct the party by joining today!

Join today! We need you to keep the momentum moving. Memberships received now are good for all of 2009.
